

## Privacy Policy for your candidature

The protection of your personal data is a top priority for CT Control Tech GmbH. This principle applies to the handling of your application data as well as our services. Of course, we ensure compliance with the statutory data protection regulations, treat your application and your data confidentially and do not pass on this information to third parties. We would like to inform you here how we implement the privacy policy in our application process.

### 1. Collection, processing and use of your application data

For CT Control Tech GmbH to process your online application effectively and offer you a suitable position, it is necessary to collect, store and use your data. We expressly assure you that your personal data will only be used internally for the processing of your application.

#### Storage time

We save your application for the duration of your application.

#### 1.1. Deletion of your application data

Should we inform you that your application was unsuccessful, your application will be permanently deleted after 6 months. This procedure also applies if you withdraw your application. When deleting, we make sure that any paper printouts that have been made are also destroyed.

If an employment relationship is established between you and CT Control Tech GmbH, we will accept the application documents in our personnel file.

### 2. Dealing with e-mail addresses

If you send us an e-mail, we use your e-mail address only for correspondence with you.

### 3. Access possibility

For privacy issues related to the storage, modification or deletion of data and information, you can feel free to contact the u.g. E-mail address or call us:
